

**2026 CAA VOLLEYBALL PROGRAM**  
Sponsors and Announces a New Opportunity *for*

**CAA OFFICIALS, COACHES, ASSISTANT COACHES**  
and **ATHLETIC DIRECTORS**

The CAA is proud to introduce a **new learning opportunity** for all **officials, coaches, assistant coaches, and athletic directors** who wish to learn and/or better understand CAA/high school volleyball rules & procedures. As such, all are invited to attend:

***“OFFENSE? DEFENSE? NONSENSE?!”***

**WHEN:** Friday, September 11

**WHERE:** Maternity of Mary-St. Andrew's School  
592 Arlington Avenue West, Saint Paul, 55117

**TIME:** 6:30 – 8:00 PM Gymnasium  
(Please wear gymnasium floor-friendly footwear.)

For this inaugural year, the topics to be covered by popular request, are:  
[offense/defense] **player rotation; player ‘overlap’; and substitution rules.** Our Head Official Evans-Vann and our Coach Mentor will facilitate the session.

This will be a great opportunity for all officials, coaches, assistant coaches, and athletic directors to learn, recognize, and/or better understand what a ‘6/2’, ‘5/1’, or ‘4/2’ offense/defense means in CAA/high school volleyball. ***For officials particularly,*** this friendly, no pressure environment will help equip you with the knowledge to be able to referee higher-level matches with more confidence!

**NOTE: This annual opportunity will be held only once per season.**

Please **R.S.V.P.** your attendance [name/s, role/s, school]  
by **midnight, Thursday, September 10**, to: [\*\*ttjev@yahoo.com\*\*](mailto:ttjev@yahoo.com)
