

Visitation Athletics

Home and away spectators are currently allowed at Visitation!

All spectators at all spring outdoor sporting events must:

- **fully wear a mask/face covering at all times**
- register using the QR code posted at the entry for every competition
- practice social/physical distancing of at least 6ft between households
- not cross into the competition area at any time. If student-athletes need to get something from a spectator, then the student-athlete must come to come get it.

If you cannot answer “Yes” to all of the [Visitation COVID-19 Screening Questions](#), then you are not permitted on campus and are asked to stay home.

*To check in using the QR code; open the camera app on your smartphone. Aim the camera at the QR code. A prompt/box will pop up at the top of your screen asking if you want to “open docs.google.com” in your web browser. Click on the prompt, then fill out the form.

If you do not have a phone, then contact Elisa Manny(ermanny@vischool) and Linzy Bannie(lbannie@vischool.org) in the Athletic Department in advance to be added to the list.
