

St. Odilia 2021-22 Sports Protocols

Current 2021-22 Effective 9.13.21 & updated 11.16.21

COVID-19 Screening questions must be personally conducted by all student participants, coaches and fans before entering school property. Anyone that can't answer yes to each question must stay home.

Basketball Updated:

Masking:

- Coaches , players, refs and visitors should be masked at all times.
- Players should be masked when not actively playing.

Soccer

Student athletes will not have to wear mask coverings when they are actively playing or participating in the games.

Coaches on the soccer field are encouraged to wear face coverings if distancing is not possible.

All **soccer fans** are encouraged to social distance 4-6 feet apart at all times and are strongly encouraged to wear face coverings if this is not possible. No access to the school building as there will be a rest room available near field.

Volleyball

All **volleyball Coaches, refs, players and fans** must wear face coverings at all times.

A note from our Principal Vicki Marvin;

At St. Odilia School, our goal is to keep students and staff healthy and in school. We believe masking supports these goals and does not require students to quarantine, should they be exposed to a positive COVID-19 case outside of their household. Currently our policy requires masks inside the building during school related activities and events. Because of this, volleyball players, coaches, and spectators will be required to wear masks while at St. Odilia.

Thank you for your cooperation and understanding while we navigate trying to keep our community safe during this continued pandemic.
