21ST CENTURY LEARNING

135 E DIVISION ST,
RIVER FALLS, WI 54022

St. Bridget Parish School is a welcoming, innovative Catholic community which focuses on faith, family, and individual academic excellence-fostering living examples of God's presence in our world.

Saint Bridget Parish School Safe Game Procedures (Outdoor Sports) 2021-2022

- Parents and coaches will monitor players for any symptoms related to COVID 19.
 - a temperature of 100.4 F or higher or if they sense having a fever
 - a new cough that cannot be attributed to another health condition
 - new shortness of breath that cannot be attributed to another health condition
 - a new sore throat that cannot be attributed to another health condition
 - chills
 - new muscle aches that cannot be attributed to another health condition or that may have been caused by a specific activity (such as physical exercise)
 - new headache
 - new loss of smell or taste
- Game day players and coaches should not arrive more than 30 minutes before game time.
- Players will use their own water bottles during the game.
- Spectators are allowed to attend games and are encouraged to practice social distancing and wear a face covering if social distancing is not possible.
- Masks are not required for players, coaches, and fans while at the game.
- Teams should try to socially distance themselves while on their benches.
- Players, coaches, and fans should vacate the playing field in a timely fashion after the completion of the game

Saint Bridget Parish School Return to Play Volleyball 2021 SAFETY PLAN

Prior to Practice/Game Procedures:

* Parents will monitor their child's health, especially the following symptoms of COVID-19:

- a temperature of 100.4 F or higher or if they sense having a fever
- a new cough that cannot be attributed to another health condition
- new shortness of breath that cannot be attributed to another health condition
- a new sore throat that cannot be attributed to another health condition
- chills
- new muscle aches that cannot be attributed to another health condition or that may have been caused by a specific activity (such as physical exercise)
- new headache
- new loss of smell or taste

Safe Practice Procedures:

*Players will set their belongings 6 feet apart from others.

*Players will come prepared for practice with their water bottles.

*Players can wear a mask if they prefer.

*Players will social distance during practice when possible.

The coach will monitor and prevent any unnecessary crowding at practice for their team.

*Players will be promptly picked up from practice.

Safe Game Procedures:

*Players will come prepared with everything they need for the game, including a water bottle.

*Players will space bags/belongings 3 feet apart on the sidelines.

*Players may wear a mask if they prefer.

*Players and parents will leave promptly from the venue and avoid congregating on the court and in the parking lot
