

St. Elizabeth Ann Seton COVID Safety Plan: Spring Athletics 2021

Masks to be worn at all times by all game personnel, players, and spectators.

Arrival

- Please have your team arrive no earlier than 30 minutes prior to the start of the game.
- If arriving together on a bus, coaches/administrators should screen all participants for symptoms of illness or need to quarantine prior to boarding the bus.
- If your team will be arriving by separate vehicles, please station a coach just outside the field area to screen participants as they arrive. Be sure that coaches arrive prior to any players/managers.

Safe Practice/Game Procedures

- Players will stay in their cars until practice time. They will wait for their coach to arrive before going to the field
- Players will set their equipment 6 feet apart from others on the sidelines.
- Players will bring their own water bottles.
- All coaches and players will wear a mask at all times of practice and games.
- All spectators will also wear a mask in accordance with the City of Hastings/MDH Guidelines.
- Players will social distance during practice/games when possible.
- Players and spectators experiencing symptoms of COVID, who have tested positive for COVID in the past 14 days, or who have been exposed to someone who has tested positive for COVID in the past 10 days should not attend the game.
- Spectators should arrive on the field no sooner than 10 minutes before the scheduled start of the game.
- Spectators must be distanced 6' from other fans not from their household.
- Players and parents will leave promptly from the venue and avoid congregating on the field or in the parking lot.
