

St. Joseph School Rosemount COVID-19 Safety Policies and Procedures
for Indoor Sports

policy subject to change

- Only named players and coaches are allowed on the court and in the designated bench areas.
- There will be only 1 scorekeeper and 1 scoreboard operator, seated 6 feet apart
- Only 1 parent/guardian/family member per player is allowed at scrimmages or games and they must remain in the spectator viewing area and adhere to current social distancing guidelines ***including the wearing of masks at all times***. This is subject to the State of Minnesota guidelines for spectating, but will not exceed 1 (one) parent/guardian/family member per player. There will be no spectators at practice.
- Any player or coach with a fever or generally not feeling well is not allowed to participate in practices or games.
- All players and coaches must adhere to any CAA policies implemented including a signed waiver and/or checklist prior to the season and each game.
- Pre and post-game handshakes and other physical contact is not allowed
- Players and coaches should maintain a 6 foot distance while on the bench and during non-game play situations, such as during huddles/time outs
- Each team will have a designated coach responsible for disinfecting equipment and bench areas.
- The game ball will be sanitized before, during, and at the completion of each game.
- Bench areas will be sanitized prior to and after use.
- If consecutive competitions are taking place, the court will be sanitized after each game.
- Athletes must use hand sanitizer prior to their competitions and prior to re-entry into a game.
- There will be no shared individual equipment. Shared equipment must be disinfected prior to wearing or using.
- Each player must have their own individual water bottle clearly labeled with their name.
- Each team is responsible for bringing hand sanitizing products.
- No spitting, chewing gum, or sunflower seeds are allowed.
- Team treats, snacks, drinks are not allowed.
- All visiting player bags and equipment must be kept 6 feet away from other bags and equipment. St. Joseph School students will keep their bags in their lockers during all practices and games. St. Joseph School will designate an area for visiting team bags.
- **Face masks are mandatory for all spectators**
- **Face masks are mandatory for all players and coaches, including during play.**
- St. Joseph School's spectator capacity is 41. Seating will be marked indicating 6 feet between spectators.
- All athletes must leave the facility immediately after the competition.
- Spectators may connect with participants outside following the completion of the event.
