

COVID POLICY

Parents and coaches will monitor players for any symptoms related to COVID 19 as outlined by the [Minnesota Department of Health](#).

- a temperature of 100.4 F or higher or if they sense having a fever
- a new cough that cannot be attributed to another health condition
- new shortness of breath that cannot be attributed to another health condition
- a new sore throat that cannot be attributed to another health condition
- new muscle aches that cannot be attributed to another health condition or that may have been caused by a specific activity (such as physical exercise)
- new headache
- new loss of smell or taste

FANS

- Only two fans per family are allowed in the facility. Maximum Capacity = 40
- Fans must wear a mask.

PLAYERS and COACHES

- Masks are optional for Players on the court and Coaches. Players sitting on the bench are required to wear masks.
- Players will come prepared for everything they need for the game, including their own personal water bottles. Our water fountains are turned off.
- Volleyball teams will not switch sides after each set, instead they will remain on their side/bench for the duration of the match.
- Teams will not physically shake hands after the match. A "good game" recognition will be done from the 10- foot line on each side.
- Players and parents/spectators should leave promptly from the venue and avoid congregating in the hallway.
