

St. Jerome School Indoor Safety Plan 2021-22

- Parents and coaches will monitor players for any symptoms related to COVID 19 as outlined by the Minnesota Department of Health.
 - a temperature of 100.4 F or higher or if they sense having a fever
 - a new cough that cannot be attributed to another health condition
 - new shortness of breath that cannot be attributed to another health condition
 - a new sore throat that cannot be attributed to another health condition
 - chills
 - new muscle aches that cannot be attributed to another health condition or that may have been caused by a specific activity (such as physical exercise)
 - new headache
 - new loss of smell or taste
- Game day players and coaches should not arrive more than 30 minutes before game time.
- Players will use their own water bottles during the game.
- Spectators are allowed to attend games and are encouraged to practice social distancing and are **required** to wear a face covering while inside of the school building.
- Masks or face coverings are required for players, coaches, and fans while at the game. ***Basketball officials are not required to wear a mask during the game, this is optional for them. However, they must wear a mask before and after the game, while in the building.***
- Teams should try to socially distance themselves while on their benches.
- Players, coaches, and fans should vacate the playing area in a timely fashion after the completion of the game

St. Jerome School reserves the right to deny entry and/or remove anyone from either school who is not following our COVID-19 protocols.
