Soccer 2021 Field Usage, Fall 2021 SAFETY PLAN

Prior to Practice/Game Procedures:

- * Parents will monitor their child's health, especially the following symptoms of COVID-19:
 - a temperature of 100.4 F or higher or if they sense having a fever
 - a new cough that cannot be attributed to another health condition
 - new shortness of breath that cannot be attributed to another health condition
 - a new sore throat that cannot be attributed to another health condition
 - chills
 - new muscle aches that cannot be attributed to another health condition or that may have been caused by a specific activity (such as physical exercise)
 - new headache
 - new loss of smell or taste

Safe Practice Procedures:

- *Players will set their belongings 6 feet apart from others on the sidelines.
- *Players will come prepared for practice with their water bottles.
- *Players can wear a mask if they prefer.
- *Players will social distance during practice when possible. The coach will monitor and prevent any unnecessary crowding at practice for their team.
- *Players will be promptly picked up from practice.

Safe Game Procedures:

- *Players will come prepared with everything they need for the game, including a water bottle.
- *Players will wait for the coach's direction before entering the field.
- *Players will space bags/belongings 6 feet apart on the sidelines.
- *Players may wear a mask if they prefer.
- *Parents may attend if they maintain 6 feet social distance when possible and avoid crowding
- *Masks are recommended, but not required, for parents on the sidelines.
- *Players and parents will leave promptly from the venue and avoid congregating on the field or in the parking lot.
