Volleyball 2021 SAFETY PLAN

Prior to Practice/Game Procedures:

- * Parents will monitor their child's health, especially the following symptoms of COVID-19:
 - a temperature of 100.4 F or higher or if they sense having a fever
 - a new cough that cannot be attributed to another health condition
 - new shortness of breath that cannot be attributed to another health condition
 - a new sore throat that cannot be attributed to another health condition
 - chills
 - new muscle aches that cannot be attributed to another health condition or that may have been caused by a specific activity (such as physical exercise)
 - new headache
 - new loss of smell or taste

Safe Practice Procedures:

- *Players will set their belongings 6 feet apart from others.
- *Players will come prepared for practice with their water bottles.
- *Players can wear a mask if they prefer.
- *Players will social distance during practice when possible. The coach will monitor and prevent any unnecessary crowding at practice for their team.
- *Players will be promptly picked up from practice.

Safe Game Procedures:

- *In keeping with the 2021-2022 PPP for Transfiguration, only those essential to the activity will be allowed in the building. Parents and visitors will not be allowed in the building to watch games at this point in time.**
- *Players will come prepared with everything they need for the game, including a water bottle.
- *Players will space bags/belongings 6 feet apart on the sidelines.
- *Players may wear a mask if they prefer.
- *Players and parents will leave promptly from the venue and avoid congregating on the court and in the parking lot.
