

Saint Agnes Football Camp

Please join us for the Saint Agnes Football Camp! Spend three days of your summer running around being coached by the Saint Agnes Football coaching staff, current players and program alums. Campers will learn specific individual skills in receiving, passing, route running, ball handling, and defensive coverage. Campers will participate in both offensive and defensive drills and conclude the camp with a flag football tournament. Saint Agnes coaches are excited to share their knowledge and experience of the game with future Aggie football players.

Please register at <https://saintagnes-ar.schooltoday.com/node/66>
